

Arte Sweet Dream

We believe that design is relevant.

Enclosing the best car perfumes in elegant glass bottles we wanted to present their deep colours. What is more, allowing the smell release through the wooden cork, we managed to employ a bit of ecology. Our hanging car air freshener in a bottle is a perfect match for the nature lovers and any individuals paying attention to details.

To be used in your car, house or office.

The fragrance releases slowly up to 55 days.

Capacity: 5ml.
