

Twist Midnight Mist

Let's twist again and again

Twist is a minimalistic fragrance **pendant** made with care for every detail: starting from the shape which conveys perfection, through high-quality wood, to the balanced fragrance compositions that fill the pendant.

Each of the five variants is a fresh approach to car fragrances: the **inspiration from top perfumes** translated into sophisticated fragrances that will keep you company for many days.

Experience an exquisite MIDNIGHT MIST fragrance: invigorating, vibrant notes of **mandarin, grapefruit** and **cardamom** are matched with aromatic **pink pepper**, sensual **tuberose** and delicate **violet**. The base of the fragrance is based on balsamic notes of **amber, chaste** and **leather accords**.
